## WSA GIVES BACK!

### HELP THE HOMELESS

This October, Wellspring Academy is dedicated to giving back to our community by providing water refills to donation sites for those experiencing homelessness. We believe that access to clean water is essential, and we encourage everyone to join us in this important initiative. Please drop off your donations at the front office. Your support helps us make a positive impact and show compassion to those in need. Thank you for being a part of our efforts!
